JUT Policy Temporary Addendum

Full vaccination against Covid-19 with a Moderna, Pfizer-BioNTech, or Johnson & Johnson Janssen vaccine is eligible for 8 hours of JUT credit. Credit will be applied at a maximum of 8 hours, one time only.

Journeymen are considered fully vaccinated:

- weeks after their second dose in a 2-dose series, such as the Pfizer-BioNTech or Moderna vaccines, or
- 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine

All documentation must be submitted by the member to their respective Local Union or current contractor. The A&J JUT Department will not accept any individual records submitted directly to the JUT Department by Journeymen.

To receive credit, a JUT vaccination credit request form can only be submitted by a Local Union or contractor representative via e-mail to Covid19Vaccinations@ajtraining.edu. Weekly credit request form deadline is 2:00 pm on Wednesday of each week.

Proof of vaccination and/or any medical records shall not be submitted by Journeymen to the JUT Department e-mail, any individual A&J email, or Covid19Vaccinations@ajtraining.edu.

A weekly confirmation e-mail will be sent to the sender, acknowledging the receipt, and recording of the JUT vaccination request form. Additionally, members may check their individual credit through the A&J website. Results may take up to 24 hours following the weekly submission deadline of Wednesday at 2:00 pm. Any inquiries regarding this temporary addendum should be submitted by a representative of a respective Local Union or contractor representative to Covid19Vaccinations@ajtraining.edu.
